## Our Profile

The **ISS Group** provides integrated security and facility management services, leveraging nearly two decades of proven experience since the founding of **Indian Security Service (ISS) in 2007**. The Group is structured for focused excellence: Indian Security Service (ISS) and **Hindustan Security Service (HSS)** (Est. 2024) are dedicated to specialized Uniformed Guarding Services and comprehensive security solutions. Complementing this is the dual-focus facility management: **ISS Enterprise** (Est. 2020) delivers expert House Keeping Services, while the newest venture, **Hindustan Facility Management** (Est. 2025), focuses on broader facility support. Operating from its headquarters in Tezpur and various branch offices across the region, the ISS Group is your singular partner for total security and maintenance excellence.

## About Us

Indian Security Services surpasses our competition in meeting the standards of what a security guard company consists of in the industry today. As a security provider we provide The Best Security Service. Indian Security Services is the next generation of contract security providers. We know what it takes to keep you and your business safe, but more importantly, we know how to add value to your company by providing superior customer service and attention to detail. We take ownership of every customer's company and property. We are proud of what you and your company have accomplished and ensure that each of our security guards displays that pride to you and your customers through their appearance and attitude.

At Indian Security Services, we care about our customers and their business. We focus on detail that will bring your company to the forefront in your industry. At Indian Security Services, we will add value to your company by providing you more than a deterrent; we will provide that first impression and customer service that will set your company ahead of your competition.

# Our Services

Our guard services are available 24 hours a day for all types of businesses. We provide services for companies ranging from property management firms, construction sites and govt. sectors also.

Indian Security Services is capable of providing security guards at a moment's notice. Our employees are customer - oriented professionals, fully uniformed and equipped with the necessary tools to get the job done right. Our guard force is well trained in security policy and procedures. In addition, they are well trained to provide superior customer service, making an outstanding first impression with your customers. We train our security guards to do more than deter, detect and report. We train them to be a concierge, receptionist, and representative of your company. Each officer has a chain of command reaching to the Officer in-Charge of our company.

Each client can expect their guards to receive regular checks by our company executives and managers. This helps ensure our clients receive the services promised and more.

At Indian Security Services our goal is to complete customer satisfaction. We will do whatever it takes to make our clients happy with our services and to recommend our services to others

# Indian Security Service Training

The Basic Training Program is designed to create effective security personnel by focusing on three core areas: physical readiness (drill and unarmed combat to overcome threats), professional competence (handling emergencies, patrols, and record-keeping), and interpersonal skills (positive attitude, customer care, and government relations). The program ensures personnel are fully trained to manage complex situations while maintaining an eco-friendly outlook.

## Basic Training Program

1

**Physical Aspects:** Trained to overcome any kind of physical threats. Training includes drill, physical condition and unarmed combat.

2

**Professional knowledge:** Training to effectively handle any kind of emergency including personal protection, security patrolling, industrial unrest, record keeping of men, materials and vehicle.

3

**People skill training:** To handle all aspects of industrial relations with government departments, customer care etc.

4

**Positive Attitude:** To develop a positive attitude in its security personnel to cope with difficult real - life situations without bitterness or any negativity.

5

**Environment Training:** Trained to be eco friendly in their outlook and care for the paryavaran (environment).

## On Site Training

**Physical Training Drill:** Training to carry out the duties as uniformed security staff in immaculate dress, having smart, crisp movements, responding promptly to orders of superiors in a disciplined manner at all times.

**Physical conditioning and unarmed combat:** Trained to improve physical fitness of the trainee, enabling him to be capable of carrying out sustained work, thereby contributing to a healthy body capable of resisting small illness. Trained to learn how to handle certain violent situations.

## Professional Training

**Search and Blocking:** Training to make the trainee aware of the impotence of security and safety of the organization's premises. Able to prevent thefts and pilferage and other crimes, illegal encroachments, accidents and report any breaches of safety regulations, unauthorized entry at the entry at the organization's premises, particularly at night.

**Personal Protection:** Training to enable the trainees to carry out the tasks of basic unarmed personal protection. After training the security personnel are able to provide protection to the designated individuals.

**Emergency situations and Action of Security Staff Thereupon:** To prepare the trainees to be able to recognize an emergency pertaining to fire, bomb threat, dacoity, arson, riot, serious injury, drunkenness and sexual harassment and to take immediate and appropriate action to come to the help of the victims without loss of time.

## Specialized Training

**Fire Prevention and Fire Fighting:** Trained to make them aware of the causes of the causes of fire, the types of fire operate various types of fire extinguishers and other equipment generally used for putting off fire. Trained to know what to do in case of a fire emergency, their duties as part of a fire fighting party, cordon party, salvage party, rescue party, take precautions to prevent out-break of fire and if required be able to organize the existing Manpower in these groups.

**First Aid and Evacuation Procedure:** Trained to have elementary knowledge of serious accidents and serious illnesses, give first aid to the victims under the circumstances of serious burn injury, gas victims, and victims of dehydration, cardiac attack and electric shock.

**Traffic Control:** Trained to carry out to control Manpower like visitors, government personnel, contractors, employees and their relatives, casual labor, control incoming and out - going materials, control the entry and exit of all types of vehicles and maintain records on the computer or in registers.

## In-House Training

- Discipline.
- Integrity.
- Honesty.
- Loyalty.
- Courtesy.
- Responsibility.
- Hard-work.

## Other Training

**Supervisory Training:** This training module cover supervision, leadership, human relationship management, substance abuse detection and counseling, mentoring psychological aspects of leadership, emergency response, etc.

**Pre-job Training:** Trainees are given appropriate pre - job orientation and training. This training is based on the client's specifications, job complexity and level of responsibility.

## Mission & Vision

The Indian Security Service is driven by a singular mission: to ensure the utmost safety for all communities who entrust us with their everyday security. Our commitment is rooted in maintaining the highest standards of professional ethics and integrity, which we uphold by utilizing the most current crime prevention training and technology. Ultimately, our vision is to continuously improve the quality of life for those we serve, always acting with sensitivity and a deep understanding of their unique needs.
